Monitor for Sale

We have recently finished off the installation of our new CCTV system and as a result have a 21.5 inch security

monitor for sale. It's worth around £150 but please make us a decent offer and it's yours.

Puddings, mincemeat and chocolates

What a display!

A bigger shop means a bigger Christmas display and this year is our best yet. We have the old favourites like homemade Christmas puddings (nuts and no nuts), mincemeat and an original Wilstone Christmas card (designed this year by Jane Shirley). Amongst the new items are some beautiful decorations, gift items and original pieces of art from local artists. We also have sari gift wrap which are made from recycled saris from Nepal and can be re-used as neck scarves after they have been unwrapped.

We have natural firelighters made from recycled candlewax (and being sold in aid of Parkinson's UK) and a fabulous range of knitted animals courtesy of the Wilstone Woolies.

There's still time to order your Christmas meat which will be ready to collect on Christmas Eve, as well as any bread or other bakery items you would like for the holiday.
