**Is it an art gallery? Is it a florists? Is it a garden centre?
 No, it's our village shop!**

Wilstone community shop now has two new spectacular additions to its range of goods and services – prints and cards by Mary Casserley, a well-known local artist who lives in Tring, and floral arrangements from Beetle Blooms owned by Lucie Koutsou from Ivinghoe.

Why not pop into the shop to see samples of their work illustrated here? Lucy's arrangements are only available at the weekends. Both artists will take special commissions – Mary has a

website: marycasserley.com, and Lucie's number is 07816 871562.

The shop also stocks eco-friendly Hadley Cards as well as a very wide range of commercially-available cards and many other stationery items.

Other specially-ordered items for the summer include gardening requisites such as gloves and small tools.

We look forward to seeing you.
