Looking for something different this Christmas?

If you are, why not visit our community shop? Here you will find a treasure trove of unique festive gifts – some quirky, some practical – many of them hand-made and others sourced from lesser-known suppliers. These photos give just a flavour of what's available including a 2024 calendar priced at £8 that includes a picture of Wilstone – see July – that features a very special resident of the village.

A raffle to support local charities

As in previous years, the shop will be running a Christmas raffle with the proceeds this year going to The Hospice of Saint Francis and the Rennie Grove Hospice in memory of Tony Short who so generously gave much of his time supporting the running of the shop.

Want something very special?

Following on from last year's successful launch, the shop will be putting together hampers of festive produce that rival those of a certain prestigious Piccadilly emporium. In addition to the usual Christmas puddings and mincemeat there will be homemade mini Christmas cakes and gluten-free puddings as well as honey and homemade preserves.
